

# 3 Things Your Resource Should Have

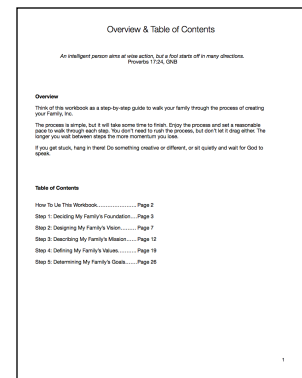

## Cover Page

Include a cover page with your **Resource Name** and **Your Name**. Choose artwork and a cool cover design. It will go a long way in getting others to look at your resource.

## Overview & Table of Contents

A brief overview of your resource and table of contents. This is helpful information when we post your resource and gives more background to your resource.

## How To Use This Resource Page

Provide some steps, thoughts, techniques and coaching on how to best use your resource so your readers are not left in the dark.
